

Public Involvement Meeting Handout

WIS 16 US 51 to Fall River-Columbus Road Columbia County

Project ID's: 1400-01-03/73, 1400-01-00/70

**February 20, 2020
5:30 pm – 7:00 pm**

**Pacific Town Hall
W7530 Highway 16
Pardeeville, WI 53954**

Purpose of the meeting

The purpose of this meeting is to inform the public and gather input about the proposed roadway work on WIS 16 between US 51 and Fall River-Columbus Road.

Department officials will begin the meeting at 5:30 pm with a short presentation about the project. When the presentation is completed, the Department will have an open forum for questions and answers. The Department will also be available for one on one sessions to address specific concerns.

Project information

WisDOT is proposing to improve 22.5 miles of WIS 16. Proposed improvements include:

1400-01-03/73

US 51 to Lincoln Avenue:

Mill 2-inches of existing asphaltic pavement and pave a 4-inch asphalt overlay, widen paved shoulders from 3 feet to 5 feet and guardrail end terminal replacements.

1400-01-00/70

Lincoln Avenue to Otsego Road:

Mill 2-inches of existing asphaltic pavement and pave a 4-inch asphalt overlay, widen paved shoulders from 3 feet to 5 feet and guardrail end terminal replacements.

Otsego Road to Fall River-Columbus Road:

Mill 2-inches of existing asphaltic pavement and pave a 2-inch asphalt overlay, widen paved shoulders from 3 feet to 5 feet (to County Road D), replacement of bridge B-11-11 over the Crawfish River and guardrail end terminal replacements.

Proposed traffic impacts

Construction is scheduled to begin Spring of 2022. (1400-01-00/70 may begin Spring 2023).

1400-01-03/73

Open to traffic during construction. Work will be performed under moving flagging operations. Access to residents, businesses and property owners will be maintained at all times during construction.

1400-01-00/70

Work on bridge B-11-11 over the Crawfish River will require through traffic to be detoured. Mill and overlay operations will be performed under moving flagging operations when WIS 16 is not detoured. Access to residents, businesses and property owners will be maintained at all times during construction.

Construction is currently scheduled for completion late Fall 2022. (1400-01-00/70 may finish Fall 2023). See next page for a project overview map.

Project update/next steps

Project Schedule

Public Involvement Meeting #1	February 20, 2020
Public Involvement Meeting #2	As Needed
Agency Coordination (DNR, etc.)	Ongoing
Final Design Plans Due	May 2021
Construction	1400-01-03/73 – Begin Spring 2022
	1400-01-00/70 – Begin Spring 2022
	(Possible Spring 2023 Start Date)

Public input/comments

We encourage you to talk to the project representatives and ask them questions. Attached to this handout is a sheet for your written comments and input regarding the proposed project. Please mail any written comments about the project before February 27, 2020 or leave them in the comment box tonight. You can also e-mail your comments to the contacts listed below.

Your comments assist us in developing a project that will serve the needs of the traveling public as well as the needs of the local community. Your input is welcome and appreciated throughout the design process.
